AI PERFORMANCE & RISK FORECAST

|                     |                 |
|---------------------|-----------------|
| Success Probability | Risk Assessment |
| 62.5%               | Medium Risk     |

BEHAVIORAL IMPACT ANALYSIS

| Factor             | Observed Value | Impact on Success |
|--------------------|----------------|-------------------|
| Weekly Study Hours | 7.0 hrs        | Low               |
| Total Absences     | 7 days         | Significant       |
| Family Support     | 5/5            | Positive          |

COMPARATIVE PERFORMANCE ANALYSIS

| Comparison Metric    | Student       | Class Average | Variance |
|----------------------|---------------|---------------|----------|
| Weighted Performance | 76.9%         | 65.8%         | +11.1%   |
| Academic Standing    | Above Average | -             | -        |

DETAILED ACADEMIC BREAKDOWN

| SUBJECT / CLASS | MIDTERM | FINAL | HOMEWORK | OVERALL |
|-----------------|---------|-------|----------|---------|
| B109            | 75.0%   | 70.0% | 65.0%    | 70.5%   |
| B103            | 70.0%   | 89.0% | 89.0%    | 83.3%   |

## STRATEGIC GROWTH ROADMAP

**Personalized Recommendation:** Students with your profile see a 15% grade boost by increasing study time to 12+ hours per week.

- Increase focus on midterm preparation.
- Reduce absences to improve overall consistency.
- Leverage family support for dedicated study blocks.
